This fundraiser will run throughout the summer, helping us raise much-needed funds to support programs, activities, and services for older adults in our communities. It's never too early to start your holiday shopping! RADA products make wonderful gifts for family, friends, neighbors, teachers, and anyone who loves to cook.

Every Purchase Makes a Difference

Your support helps The Gathering Place continue providing opportunities for connection, wellness, education, and enrichment for adults age 50+.

Thank you for supporting The Gathering Place!

Together, we can make this fundraiser a tremendous success!
